1. Think it not strange the gratitude that is poured out upon you by My body who you bring Me to, enabling freedom to be seen and experienced by the mighty many. I love you. Thank you for empowering My mighty many and withstanding the forces of evil and hell and standing, standing, standing firm, standing in My authority, standing in My power, standing in might and glory knowing there is suffering, and knowing that there is no power that can withstand you as I Me Mine, and I stand within you. I love you. **Recant not and pour forth My words, pour forth My words, fountain forth My words for hours and minutes every day. I love you.** Be afraid not, be afraid not, fearless. I tire not, I tire not of speaking. Tire not of speaking Me. I love you.
2. I honor you. I grace you to do/be, be/do. Yes, I am becoming all I am. I love you.
3. Pour forth the river of living water into My logistics, into My delivery systems of only Me, products and services coming forth. Worship centers, worship centers, worship centers coming forth from Worship Central, Education Central, Commerce Central of only Me. Watch Me. Freedom Centers arising, white towers of stone representing Me in My towers of strength in every color, nation, tribe, tongue available, around and coming. I love you.
4. I love you and I give you Me. I give you Me explicitly, expounding-ly, as inextricably we walk our lives together. I give you Me. I told you, you have yet to sense the breadth of the sweep of My hand coming, coming, coming, even in you, through you. I am. I told you today it's all yours. I love you.
5. Pour forth My words, books, chapters, articles. Stand before My kings and queens, My princes, My toothless, poverty'd ones and speak Me before them all; **equally** Mine, **equally** Mine, **equally** My family, the work of My hands; **equally** Mined, **equally** Mine, **equally** loved. I died for each one, I created each one and each one came through Me. I love you and I love you each one and I am in you, empowered, My seed is in you. Release Me and let Me be Me. Accept Me for who I am and who you are and explicitly walk in My power and authority this day, this moment and forevermore. I love you.
6. I love you. Not robbery (1), no heresy. Me, Me, My glory upon you, your head, My creation. I love you. I embrace you this day, I have My arm around you, I look into your eye, I stroke your brow, I sit in big chairs with you and I recline with you. And I look for every moment that I can lay My head upon your breast and you upon Mine, intimacy in My quarters. I love you. Intimacy, intimacy, intimacy with Me, intimacy. Please, more come, call and conquer time ever more, irrespective of Me not. I love you.
7. I come and I call and I conquer. I conquer the divisiveness, I conquer the clock, I conquer the walls, I conquer the demons and the demands of the urgent ones who think

only that they know Me and know so much of My word; and yet My word pours forth, pours forth and will pour forth through everyone who will let Me. I love you, let Me be Me. I come and I swan dive, so beautifully every single one; every single time growing in Me. I love you. Touching, healing, placing eye salve, healing every scar tissue and every hurt, no revenge--it's all in Me. Don't go back. Press forward in Me. I love you and I heal and I come and I call and I conquer every sword, every saying, every thing said and done in the past that divided you from Me.

8. You reader/hearer, I speak to you. I speak to you, I am speaking to you, I am speaking to you, I am addressing to you, I am addressing you on bended knee--hear Me, let Me flow, bring Me in. Trust Me, trust Me, trust Me, trust Me please. Believe on Me that you will do the works that I do, that you will do the works that I did (2), that you will do even more than the works that I did.

9. Believe Me, see Me in My words, see what I mean, see My connections and sinew in My word, My word, My words, and My words coming forth through you, through Ted, through others, through My body replete. Young lambs, intended for slaughter by some, redeemed, empowered, leadership'd, mighty in spirit and truth on glorious steeds of only Me, recapturing, glorifying in My glory. I love you.

10. Honor Me and honor Me more. I love you. I give you Me. I give you Me and I glorify Me in you. I love you. I love you.

11. Stephen comes, Irene comes, galloping on glorious steeds of only Me. Giant giant-makers are they; one, as one; as one with Me.

12. As one group comes forth mighty and My intentions intended by My heart gloriously designed by Me. Watch Me. Watch Me, Mike. Watch Me and let Me be Me. Let Me come through you with the power of My authority, the authority of My power, glory and grace, commerce of only Me. My hand healing salve, coming through you as one. My words glorious be. I love you. You're family, I love you. I thank you, I thank you, I thank you. Glorious be now My family and glory be. I give you Me. My future is yours for you are in My future so royally. I love you. Drinking from My fountain. All Provision made, no lack. I love you.

13. Go create, create, create and write, right now, today. Pen My words, speak My words, share and share alike. Oh, I love you. Thank you. Be Me.
